

Poster Snap Frame Stand

POSTER SNAP FRAME STAND

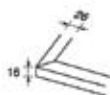

These very popular Quick Clip style wall-mount poster frames utilize four hinged sides that simply flip open and close in a snap. Easy poster changing once mounted on wall... frame stays put...just lift up sides and change. Features: highest quality metal frame border in a matte silver finish, slim profile design, a backer that the poster rests against inside of frame, and a non-glare overlay to cover/protect the poster.
